

GERGONNE

The Adhesive Solution

INDUSTRIAL ADHESIVE TAPES

Formulation, coating, transformation of technical adhesive tapes

Know GERGONNE INDUSTRIE, first French manufacturer in technical adhesive tapes

Serving Industry since 1962, GERGONNE offers customers a unique service in Technical Adhesive Tapes.

GERGONNE INDUSTRIE relies on the technical excellence of its team in order to provide adhesive solutions to the ever-more complex requirements of its clients.

KEY FIGURES

- 100 % family-owned group
- Workforce: 420 people, Export 65%
- Turnover: 91 M€ in 2023, Export 75%
A financially-stable partner for long-term cooperation

OUR MARKETS

A cutting-edge, state-of-the-art production technology serving 4 major markets:

Automotive & Transportation

Industry

Healthcare

Construction

WHAT MAKES US DIFFERENT

- **Vertical integration:** a global mastery from the adhesive masses formulation to the die-cutting components (according to the customer drawing), quality control
- **Value supplier:** a close relationship to better understand customer needs, advanced innovation and multi-market expertise
- **Agility:** simple and efficient organization for a better reactivity and availability
- **International presence:**
 - Headquarters: France
 - 7 Branches: Slovakia, Poland, Romania, Czech Republic, Morocco, Mexico and China

CERTIFICATIONS

- ISO 9001
- IATF 16949
- ISO 14001
- ISO 13485

Understand the **GERGONNE** expertise, manufacturing and converting of industrial adhesive tapes

FORMULATION

- Complete mastery of our glue formulation in:
 - Water-based and solvent acrylic
 - Natural and synthetic rubber
 - Silicone
- Example of properties:
 - Temperature/humidity resistance
 - Fire/smoke resistance (fireproofing)
 - Heat dissipation, low temperature adhesion
 - Removable/Permanent adhesion

COATING

- Capacity: 35 000 000 sqm/year
- 4 new generation coating lines, including one in ISO-8 clean room environment
- Maximum coating width: 2250 mm
- Coat weight: 10 gr/sqm to 450 gr/sqm

SLITTING TO WIDTH

- Park of multi-technology machines:
 - Slitters-rewinders
 - Slitting machines
 - Automatic center for cutting
 - Spooling machine

R&D

- 400 m² and 8 engineers/technicians
- Development of our formulae
- Customer's specific development
- Technology watch

PACKAGING

- Delivery packaging: labelling, filming, boxes
- Availability for customized packaging under our clients' brand

STANDARD PRODUCTS

- **GERGOTAPE:** Industrial adhesive tapes
- **GERGOSIL:** Silicone adhesive tapes
- **GERGOSIGN:** Adhesive floor marking
- **GERGOPROTEC:** Protective adhesive films solutions
- **GERGOTIM :** Thermal management adhesives
- **GERGOVENT :** Venting membranes
- **ADHECARE:** Adhesive solutions for the medical sector
- **OLINXO:** Adhesive mounting tapes for flexographic printing
